## SERVICES FOR CHILDREN, YOUTH AND FAMILIES

We have been in continuous service for over 139 years and have the ability to offer a wide range of programs for children, youth and families.

These include After School care, Homework Program, Vacation Care, Weekend activities including camps, Family Support and a Youth Program (including sports and dinner nights).

A weekly pantry is available for families.

Program activities include:

- \* Arts & crafts
- \* Games
- \* Sports & fitness
- \* Gardening & cooking
- \* Music & dance

Children are collected from Bourke St Public School & Crown St Public School after school and walked to our centre in Riley St by ASC staff.

There is an access criteria to gain enrolment to these programs (excluding Youth Programs); this may be based on a Low Income Health Care Card, financial assessment or referral.

**We welcome enquiries so please contact us to discuss your circumstances.**
