### 2018 is off...up up and away!

I'm sure it's not just me who's excited for a school holiday break...hasn't 2018 started with a bang!

We've welcomed a new cohort of Kindy's (of which one is mine) and their parents who seem to have all settled in beautifully. Year 1 put on a great 'Tea & Tears' and what's been agreed is a new tradition - the inaugural Welcome Drinks for Kindy and Year 1 parents at Bar Cleveland 🍷🍺🍹

The P&C Groups have been busy too; the Active Travel group hosted a wonderful Ride to School Day; the Canteen has had a stellar start to the year and a great result on Harmony Day; the Gardening Group is flourishing and has expanded to include the 'Playground' areas; not to mention the unstoppable force that is the Fete Group!

Bourkey's Big Top Fete, to be held 28<sup>th</sup> October 2018, is well and truly underway...you'll find the Fete Newsletter attached for an update on what's happening as well as the numerous ways to get involved. Every little bit counts!

There are SO many ways to get involved at Bourkey and as you'll see from the next few pages, our school is thriving, all due to the constant and inspiring effort from parents, day in day out. I encourage you all to find a way to get involved, it's super fun, you'll make some new friends and have a laugh!

Enjoy a restful and restorative break and look forward to seeing you all next term!

**Amelia Birch** P&C President (mum of Oscar, 1M & Felix, KS)

### Next P&C Meeting

Our Annual General Meeting is on Wednesday, 30 May 2018, 6-7.30pm – look forward to seeing you there!

P&C Executive roles will be up for nomination. Interested to learn more? Email Amelia: [bourkestreet.pandc@gmail.com](mailto:bourkestreet.pandc@gmail.com)

Don't forget that Helping Hands kindly provide child minding for a gold coin donation.

### Welcome Kindergarten 2018!

This term we hosted two events to welcome the 80-odd new Kindy's and their families to Bourkey.

#### 'Tea & Tears'

The morning Kindy children take their first steps into school life comes with great trepidation and a mixture of emotions. It went as smoothly as could be with the great support of all our wonderful Bourkey teachers and support staff, not to mention all the kids from grade 1-6 who welcomed the Kindy's beautifully. The new Kindy parents all had a chance to meet each other during the send-off and share the high's and low's of the morning, whilst enjoying a delicious breakfast put together by the P&C.

#### Welcome drinks at Bar Cleveland

In addition the P&C hosted an evening at Bar Cleveland where new Kindy parents from all classes could come together and meet some experienced Year 1 Bourkey parents. It was a huge success and the start of a new tradition at Bourkey. We had over 80 people attend and some great new friendships were made.

**Victoria Lucas** (mum of Isobel, 4L and Sienna, 1M)

### A squawking good time on Cockatoo Island!

Camping, glamping, cycling, scootering, eating, water pistol fighting, marshmallow roasting, tunnel exploring, more eating, laughing, hill rolling, ball throwing, movie watching, sky gazing, relaxing, torch lighting, guitar playing, singing and maybe a tiny bit of drinking describes the recent Cockatoo Island Camping weekend.

There was a good contingent of new Kindy families that went on the trip and all agree it was a great way to get to know some other families and experience a taste of the fantastic community that has been built here at Bourke Street.

Thanks to Sam for organising such a great event. We highly recommend it to any families but particularly those new to Bourke Street. See you all there next year!

**Annette, Lisa & Bron**  
(mum's of Jack and Grace, Zara & Sylvie respectively, KS)

### Bourkey got its BLING on!

Ride to School Day 2018 was another great success at Bourke Street, with around 85% of students riding, scooting or walking. Well done!

Thank you to the teachers, especially Ms Carter, and parents who brought food and helped with decorations. Hopefully students can keep up the active travel to and from school throughout the year.

Congrats to those who won best 'blinged' bike and to everyone for making it a great event!

**Lydia Ho** (mum of Arki, 6G & Ren, 4L)

### Don't forget to STOP at the Dots!

Since 2012 a group of Bourkey parents have worked to generate awareness and implement simple tactics for improved pedestrian safety for our rapidly growing school.

'STOP at the Dots' encourages kids to stop a safe distance back from the kerb until it is safe to cross Cleveland Street. We encourage you to bring your child's awareness to it the next time you're passing!

### ‘Flower Power’ Bourkey-style!

Tony 'T-Bone' Spitzer took over the gardening committee at the end of 2017 and with guidance from Peter Johnston and Lorraine Emerson started to build a plan for a major upgrade of the school gardens. After the P & C allocated \$10,000 to this project Tony put a call out for a working bee in early December and starting working towards this day. Flower Power delivered the goods: plants, soil, fertiliser and mulch.

The day was a great success with a team of committed helpers donating their Sunday morning for the school garden upgrade. Following this day a dedicated team of waterers have kept the gardens hydrated, some additional planting has occurred and we will look towards having another big working bee as the weather warms up for Spring.

**Tony Spitzer** (dad of Archie, 3L and Lenny, 2S)

**Join us!**

If you are interested in becoming part of our watering team OR you want to get involved in the next working bee, get in touch with Tony:

### Canteen Update

#### Sushi

We've had a great start to the year at the Bourke Street canteen, a.k.a Elham's Cafe!

With a new sushi provider resulting in a far bigger selection of delicious sushi, as well as some other yummy additions to the menu, our kids have an even bigger choice. **Keep those sushi orders coming as we need a minimum spend to get it freshly delivered to the school each day, but remember you need to order at least a day in advance.**

#### Harmony Day ☺

The Harmony Day special food day was a huge success, with our old favourites from Bourke Street Bakery making a special guest appearance, as well as those fab frozen treats. We raised an amazing **\$3,155** for our P&C on this day alone, and Elham wanted to do a special shout-out to all her fantastic helpers on the day.

### Our Wonderful Volunteers!

Just a reminder to everyone that the canteen is run exclusively by volunteers, which means that all profits go directly to the P&C for the benefit of our school, but also means we need a constant stream of helpers both before school and at lunchtime. Elham does an amazing job every day, as do our numerous regular volunteers, but we always need more, so please sign up using our new online system **SignUp** -

[2018 Term 2 Canteen Roster.](#)

You can volunteer for as many or as few shifts as you like, and if you ever need to swap or can't make it, it's no stress at all. Even if you've never done it before, give it a go, it's dead simple and Elham will be more than happy to show you the ropes.

Remember if it takes a village to raise a child, it certainly takes a whole school community to keep an entire group of children well fed and nourished!

**Evelina Polura** (mum of Thandie, 3G & Sierra, 1M)

**350 Mother's Day gifts  
still needed!!!**

Please continue to donate until the end of the first week of Term 2 to ensure every child (and their mum) receives a gift!

### Want To Chip In But Don't Know How?

Be part of the success of the Bourkey community by lending a hand as and when you can. It certainly does take a village!

[SignUp](#) is the new volunteering platform used to manage the vast range of volunteering opportunities on offer in and around Bourkey. Check it out to see what works for you. Simply go to: [bit.ly/bourkeysignup](http://bit.ly/bourkeysignup)

Do you need volunteers to chip in to your Bourkey pet project and want help setting it up on SignUp? **Sean Murray** (father of Inez, 4L) on 0422 819 975 will show you how!

### Meet a volunteer...A Classic Class Rep!!

Hi my name is Jessica and my son Cooper is in 2S.

When Cooper started Kindy I volunteered in the classroom for reading group and absolutely loved it. In Year 1, I disappeared from the playground as I started a new job but now I'm back and super excited to be Class Rep this year.

Being Class Rep is a great way to meet all of the parents in the class and in my case helps to keep me on top of everything that is going on in class and around the school! It is also a great way to meet other parents as you engage with other Class Reps and help organise class initiatives such as Trivia Night or Mother's Day Stall.

I've also put my hand up to help where needed around trivia night and the upcoming fete and it has shown me how lucky we are to live in such an active and engaged community! So many parents devote countless hours to make Bourke Street an amazing place for our kids.

My husband Doug and I are both from the US and having such a tight knit community is super important with no family nearby. It is pretty outstanding that in just a few years we have developed a great network of parents to help with after school pickups, play dates, footy practice and even date nights for us. We have lived in Surry Hills for over 10 years and have watched Bourke Street Public grow into such a dynamic school. Exciting times ahead.

Look forward to meeting more parents on the playground and beyond!

**Jessica Ross** (mum of Cooper, 2S)

### Yearly 'Class Year' Events...

2017 was the start of something BIG at Bourkey. Under the excellent guidance of Janet Verden (previous Class Rep Coordinator), each year group took on an 'event' to organise. The amazing Class Reps from that year group become point people and then everyone jumps in and lends a hand in the lead up to the event and on the day.

Due to the enormous success of this initiative it was decided that the tradition be continued. Have you checked out what your class will be doing this year?

**Kindy:** Father's Day Breakfast – 31<sup>st</sup> Aug

**Year 1:** 'Tea & Tears' + Kindy Welcome Drinks

**Year 2:** Trivia Night – 15<sup>th</sup> June

**Year 3:** Mother's Day Stall – 11<sup>th</sup> May

**Year 4:** Christmas Markets – 7<sup>th</sup> Dec

**Year 5:** Year 6 Graduation & Disco – TBD

**Year 6:** Mother's Day Stall – 11<sup>th</sup> May

### Ethics Classes

The Bourkey Ethics class program continues to grow. We are pleased to welcome four new teachers this term – Meredith Hemsley, Lisa Jennings, Daniel Howes and Christine Murphy. They are all **2018 Kindy parents** and doing an amazing job. We now have a fantastic group of **15 volunteer parents** delivering classes to all students waitlisted for ethics from Years 2-6.

We would love to offer Ethics classes to students waitlisted in Year 1 and eventually to Kindergarten. Training and all lesson materials are provided by Primary Ethics. The kids are fantastic and the 30 minute/week lessons are really interesting.

If you have been thinking about volunteering as an Ethics teacher, please contact Emma at [ekdoran@gmail.com](mailto:ekdoran@gmail.com).

**Emma Doran** (Ethics Coordinator and mum of Benjamin, 2S)

In February 2018, Emma Doran (*above right*), was invited to attend a reception at Government House to acknowledge the work of Primary Ethics in schools across NSW. Emma was extended an invitation due to the overwhelming success of the program at Bourke Street Public.

Bourke has now been acknowledged as having one of the most successful programs across the state. Huge congratulations to Emma, and the entire Ethics team for their commitment to this wonderful program.

### Organic Fruit & Vege Boxes Starting In Term 2!

The Bourkey P&C is really excited to announce that the collaboration with [My Organic School](#) – an organic Fruit & Vege co-op for schools – will be starting in the second week (Thursday) of Term 2, after gathering overwhelming interest within the school.

The **Fruit & Vege boxes** are **\$50 weekly** and include a mixture of seasonal basics and specials. Working as a community means we can **save as much as 40% on retail prices!** 5% of the takings are then returned to the P&C.

Boxes are available every **Thursday afternoon** from **3.10pm** just outside the Library, thanks to a group of parents who have volunteered to drive the initiative. BYO bag or trolley to transfer into if you prefer!

If you haven't yet expressed interest, not to worry, [head to this link](#) and sign up to ensure you receive a box each week.

Thanks to the Bourkey community for taking a proactive stance and coming up with an excellent solution to the ever-present issues around maintaining sustainability in our environment, reducing the use of plastics and eating toxin-free!

### Volunteers: Like Sewing?

Calling volunteers who are interested in joining a super easy sewing group to complete some projects for the fete (all materials will be provided).

Please email [ninafordham@bigpond.com](mailto:ninafordham@bigpond.com) ☺

### Thank You!

Huge thanks to everyone who has already supported the fete in its early stages. We are grateful no matter how small or monumental your donation of time or items are! Every single little bit counts and will go towards making the fete a fabulous day for all the families at Bourkey as well as the Surry Hills community at large.

### Let's Get Saucy!

If you missed out on picking up some jars this term, or need some more, they'll be available again at the beginning of Term 2.

Judging will take place in Term 3 to determine our **Bourkey's Best!** All condiments have the chance to win. If you take out the honour, your jars will be sold with a **gold sticker**, don't miss out on the chance to win!

# INTRODUCING

# BOURKEY'S BIG TOP FETE

Sunday 28th October 2018

Fete  
News

#1

Organising a fete takes a whole year to pull together. It takes enormous amounts of time, energy, enthusiasm and donations by the school community and local businesses.

This introductory fete letter will outline exactly what the fete involves and where you may be able to assist or have a contact which will aid this significant fundraiser for the children of Bourke Street Public School.

Bourke Street Public School families, please take the time to read below some of key elements that need to be organised and prepared for the **Sunday October 28** deadline. The fete this year has a fabulous and bright circus theme of 'Big Top'. There will be stalls in the front of the school to entice people through the gates and the main action and excitement happens in the back of the school. There will be fresh food stalls, Bourke Street themed merchandise, handmade gift stalls, rides for kids of all ages, a brilliant silent auction, loads of raffles, a Halloween themed costume & props stall, an Enchanted World for small children, a kids Disco, a Chocolate Wheel, loads of great side show alley games and prizes to be won. Elham's Café will be open, a Bourkey's Haunted House adds to the thrill of the day plus we have wandering circus performers and a whole day of live music entertainment on our Bourkey's Big Top stage.

All school families and their extended friendship circles have something to contribute, whether it be their time, baking skills, craft skills, a donation of a prize, a business contact who could sponsor the school, sponsor a ride/game/photobooth or you have access to wholesale catering/packaging items such as food serving plates, disposable cutlery/napkins, bulk sauces, paper bags, carry bags, music contacts/connections. A volunteer roster will be made closer to the date so if you do not have the time to volunteer before the fete there will definitely be opportunities on the day.
